The background image shows a young boy with short dark hair, wearing a grey t-shirt with orange shoulder stripes, looking up at a massive, iridescent bubble that has burst against a dark background. The bubble's surface reflects a rainbow of colors. In the background, there's a house with light-colored horizontal siding and two windows with white frames and blinds. The overall composition is artistic and dreamlike.

The Unsplash homepage features a large, dark, abstract background image of a textured surface, possibly a close-up of a plant or a geological formation. Overlaid on this background are several UI elements:

- Unsplash Photos for everyone**: The logo in the top left corner.
- Search bar**: A large search bar at the top center with the placeholder "Search free high-resolution photos".
- Navigation links**: A horizontal menu bar below the search bar with categories like Editorial, Wallpapers, Nature, People, Architecture, Current Events, Experimental, Fashion, Film, Health & Wellness, Interiors, Street Photography, Technology, and View all.
- Brands**: A section labeled "Brands" with a "New" badge.
- Explore**: A link to explore more content.
- More options**: An ellipsis ("...") indicating more options.
- Submit a photo**: A button to submit your own photos.
- Login**: A link to log in.
- Join free**: A green button to sign up for a free account.
- Unsplash logo**: The main logo in the center of the page.
- Tagline**: "The internet's source of freely-usable images. Powered by creators everywhere."
- Trending**: A section showing trending topics: flower, wallpapers, backgrounds, happy, love.
- Squarespace logo**: The Squarespace logo in the bottom right corner.
- Page footer**: Text at the bottom including "Photo of the Day by Lisha Riabinina" and "Read more about the Unsplash License".

The screenshot shows the Adobe Color interface. At the top, there's a navigation bar with links for CREATE, EXPLORE, TRENDS, and LIBRARIES. Below the navigation is a toolbar with icons for saving, sharing, and other functions. The main area features a color wheel on the left with various color harmony rules listed: Analogous (selected), Monochromatic, Triad, Complementary, Split Complementary, Double Split Complementary, Square, Compound, Shades, and Custom. To the right of the wheel is a color palette with five squares labeled A through E. Below the palette are their corresponding hex codes: #F911ED, #AA0FDB, #841DF2, #3A0FDB, and #111FF9. At the bottom, there are sliders for Red (R) from 249 to 17, Green (G) from 249 to 17, and Blue (B) from 17 to 249. On the right side, there are sections for saving the theme to a library, adding tags like Purple, Blue, Neon, Bright, and 80s, publishing to Color, and checking for accessibility. A large blue 'Save' button is located at the bottom right.
